

POLICY ON CROSS-LISTING OF GRADUATE COURSES

The Graduate School will allow the cross-listing of courses when the graduate programs wishing to have such cross-listing agree. All listings must have the same course title. Such courses must designate a primary offering program, to be indicated in all websites, catalogues, and schedules. In cases where special permission is required, the (primary) instructor shall be responsible for overseeing the granting of such permissions. For budgeting purposes credit for registrations and tuitions shall adhere to each number.

POLICY ON CROSS-LISTING COURSES AS BOTH UNDERGRADUATE AND GRADUATE

The Graduate School will allow the cross-listing of undergraduate courses as graduate courses when it is understood that graduate students taking the courses as graduate courses are expected to meet graduate-level expectations through additional work and/or higher standards. Graduate students taking background courses in a field different from their own and not able to perform at the graduate level should enroll under the undergraduate number. The primary level of the course, typically the undergraduate level, will be indicated in all websites, catalogues and schedules. All listings must have the same course title.
